SAM
Oh! Fine and you?

FRANK
Good, lets play. Your into me for twenty bucks.

SAM
I see you started already.

FRANK
I had to do something while I was waiting.

SAM
Dad I noticed that couple over there arguing, (Look in there direction.) do you know what it's about?

FRANK
No!

SAM
I hope they're OK.

FRANK
I make it a point to stay out of peoples business. And you should to. It's your move.

SAM

Sam moves CHESS PIECE then looks up at father.

It sure is a lovely day for a game.

FRANK
Yes it is.

SAM
A good day for a stroll in the park with a friend.

FRANK
(disgust.)
Sam, enough with the hints, it's your move.

SAM
Oh! right (Sam's elbow slips off table)...Dad, I've been meaning to ask. Have you met anyone lately?

FRANK
Sam we've been through this.

SAM
I don't like to see you all alone.

FRANK
I'm fine, its you I'm worried about.

SAM
Why do you always worry about me?

FRANK
You have been alone for years. What with the gold fish, that's not companionship that's nothing.

SAM
What's wrong with my gold fish?

FRANK
(**Theme Stated**)

Sam come on. Don't let what happened between your mother and I ruin your life. You need help or a girlfriend or something but not goldfish.

SAM
I suppose next, you're going to tell me that there is some mystical person out there who can wave a **magic wand,** and make everything alright again?

FRANK

Frank looks over at Sophia of fighting couple looks back at Sam.

You never know.

SAM
Never mind that dad, Isn't there someone you can get to know? Someone at the senior center?

FRANK
(**Set Up**)

Some gesture.

Oh Please!

SAM
Your always trying to get me out of my comfort zone what about you? You never talk about what happened with mom.
