COLE
What are you doing? I told you not to do that. What if somebody sees you?

SOPHIA
(causally)
Nobody saw me, I was careful.

COLE
That's not the point. Do you realize what would happen if this gets out? The very thought of it...sends chills down my spine.

SOPHIA
(bobble your head)
I know, I know. The investigation, lab tests, isolation from the world, You've told me at least a hundred times.

COLE
This HAS to stay between us not even them(point to Sam and Frank)so no more....and one more thing....stop using your **magic wand**.

SOPHIA
OK!

COLE

Give Sophia a glaring look.

SOPHIA

SAM

Cut back to Sam. Sad look on face. He walks to his father at TABLE.

SAM

Sam at table stops. Looking down.

Hi! dad. (Give Dad a a hug)

FRANK

SAM

FRANK

SAM

FRANK

SAM
Dad I noticed that couple over there arguing, (Look in there direction.) do you know what it's about?

FRANK
No!

SAM
I hope they're OK.

FRANK
I make it a point to stay out of peoples business. And you should to. It's your move.

SAM

Sam moves CHESS PIECE then looks up at father.

It sure is a lovely day for a game.

FRANK
Yes it is.

SAM
A good day for a stroll in the park with a friend.

FRANK
(disgust.)
Sam, enough with the hints, it's your move.

SAM
Oh! right (Sam's elbow slips off table)...Dad, I've been meaning to ask. Have you met anyone lately?

FRANK
Sam we've been through this.
